Nominations for the fourth annual Ethics in Business Awards are being accepted through March 14.

The awards, sponsored by the American Foundation of Counseling Services, Green Bay

Packaging and the Kress Family Foundation, will be presented at a luncheon on Nov. 10 at the KI Convention Center in Green Bay.

The American Foundation of Counseling Services founded and hosts the Ethics in Business Awards to foster a climate of ethical integrity in Northeastern Wisconsin, to heighten awareness of American Foun-

dation of Counseling Services within the business community and to raise funds for the group.

The awards will honor one business, a nonprofit organization and an individual who have demonstrated business excellence and the highest standards, including values such as civic and social responsibility, integrity and ethical conduct.

Companies and organizations of all sizes throughout Brown County are eligible for consideration.

Nominations can be submitted online at www.americanfoundationonline.org/nomination.asp.

Last year more than 100 nominations were submitted, and the event drew 500 people, with 75 businesses represented.
