

AFCS luncheon raises more than \$112,000

American Foundation of Counseling Services (AFCS), Green Bay, raised more than \$112,000 at its annual Ethics in Business Awards' luncheon held Nov. 10 at the KI Convention Center in Green Bay.

Proceeds will help AFCS providing service to individuals, children and families who do not have means to pay for counseling.

The funds also will help prepare foster

children to lead independent and successful lives once they turn 18 and age out of foster care.

During the past four years, AFCS has raised more than \$420,000 in proceeds from the event.

The organization was founded and hosts the Ethics in Business Awards to grow a climate of ethical integrity in Northeastern Wisconsin, to heighten awareness of AFCS within the business community and to raise funds for its work.
